- 40 Clear page protectors
- 1 - 2" binder
- 1 pair of kid's scissors
- 2 boxes of Kleenex (no need to mark name on this)
- 1 paint shirt
- 1 pair of indoor non-marking Velcro-closure running shoes
- 1 set of extra underwear, socks and clothing for the season in a grocery bag (to hand in each child's locker in case of unexpected messy events!)

Thank you very much for having all supplies, shoes, and jackets individually labeled before the first day of school. Some parents love to use label-makers or commercially produced labels such as "Mabel's labels" or a similar product, but a Sharpie or other permanent marker works very well, also – black items just need a bit of masking tape to be labeled. A note will be sent home if supplies need to be replenished during the year.
